

IMPORTANT INFORMATION

- The examination timetable **MUST** be followed.
- **Impaq marks ALL Grade 10 November examination papers.**
- Question papers are made available to the Impaq-approved invigilator at 06:00 on the day of the relevant examination.
- Question papers will be removed from the system an hour after the start of the examination session. Therefore, papers for the 09:00 session will be removed at 10:00 and papers for the 14:00 session will be removed at 15:00.
- Due to the printing size for EGD, this examination paper will be released the day before the examination at 12:00
- All completed question papers **MUST** be electronically uploaded to *my.Impaq* daily (excluding EGD and practical papers for CAT, Dramatic Arts and Visual Arts, which must be submitted to Impaq in person or via courier).
- **The upload portal will close at 22:00 on the day of the relevant examination.**
- The deadline for the manual submission of EGD and the practical papers for CAT, Dramatic Arts and Visual Arts is **1 December 2022**. After this date, ALL outstanding Grade 10 November examination papers will receive a zero mark.
- Impaq will not accept completed question papers sent via email.
- Impaq will only allow in-person submissions or delivery via courier in extenuating circumstances. In the case of extenuating circumstances, the question papers must be submitted on the day of the examination as late submissions will not be accepted.
- By order of SACAI, load shedding is not considered a valid reason for missing an examination or not following the scheduled timetable.

PLEASE NOTE:

- Dramatic Arts practical examination (Task 7): learners must schedule a time to complete the practical examination with an approved assessor (this will be a private assessment).
- Visual Arts practical examination (Task 7.1): the visual diary for the practical examination should be completed during the third term. The artwork should be completed under invigilation at the end of Term 3. The visual diary and artwork must be marked by Impaq or an approved Visual Arts assessor.
- For CAT, the practical files must be saved onto a clean memory disk.
- IT practical paper: Delphi code must be copied to a Microsoft Word document before being saved as a PDF and submitted to *my.Impaq*.

BELANGRIKE INLIGTING

- Die eksamenrooster **MOET** gevolg word.
- **Impaq merk ALLE graad 10 November-eksamenvraestelle.**
- Vraestelle word op die dag van die betrokke eksamen om 06:00 aan die Impaq-goedgekeurde toesighouer beskikbaar gestel soos aangedui op die rooster.
- Vraestelle sal een uur na die aanvang van die betrokke sessie van die stelsel verwyder word. Die vraestelle wat om 09:00 geskryf word sal dus om 10:00 verwyder word en die vraestelle wat om 14:00 geskryf word sal om 15:00 verwyder word.
- As gevolg van die grootte van die IGO-vraestel, sal hierdie vraestel om 12:00 die dag voor die eksamen beskikbaar wees om afgelaai te word.
- Alle voltooide antwoordstelle **MOET** daagliks elektronies op *my.Impaq* gelaai word (uitsluitend IGO en die praktiese vraestelle vir RTT, Dramatiese Kunste en Visuele Kunste wat in persoon of via koerier by Impaq ingedien moet word).

- Impaq aanvaar geen voltooide vraestelle wat via e-pos aan Impaq gestuur word nie.
- Impaq sal slegs in uitsonderlike gevalle vraestelle aanvaar wat in persoon of via koerier ingedien word. In sulke uitsonderlike gevalle moet die vraestel op die dag van die skryf van die betrokke vraestel ingedien word aangesien geen laat inhandigings toegelaat word nie.
- In opdrag van SACAI word beurtkrag nie as 'n geldige rede vir die misloop van 'n eksamen of as rede vir die afwyking van die eksamenrooster aanvaar nie.

LET WEL:
